**LETTER**

Commissioner for Patents  
Washington, D.C. 20231

January 8, 2002

Sir:

This will confirm the telephone conversation between counsel and the Examiner, Mr. Deberadinis on January 7, 2002. During the conversation, it was determined that the supplemental amendment filed November 8, 2002 was not before the Examiner at the time when the Office Action of November 30, 2001 was issued, and therefore was not taken into consideration. It is Applicant's understanding, that the Examiner intends to withdraw the November 30 Office Action and issue a new Office Action reflecting the November 8 amendment. Accordingly, it is Applicant's understanding that no further action on its part is necessary with regard to the November 30, 2001 Office Action.

Applicant thanks the Examiner for his courtesy in helping to determine the status of this application.

Respectfully submitted,

*Gary R. Edwards*
